GULLION IS PRESIDENT.

Kentucky Editors Elect New
Officers at Crab
Orchard.

RICHARDSON IS SEC'Y.

The Meeting Was by Far the
Most Profitable Ever
Held.

Crab Orchard Springs, Ky. July 27.—The Kentucky Press Association, in session here, elected officers to serve one year. Mr. E. A. Gullion, of New Castle, was chosen president; D. B. Wallace, of Warsaw, vice president, and W. Vernon Richardson, of Danville, secretary. All will make capable and efficient officers. Mr. Richardson succeeds Robert E. Morningstar, of Bowling Green, who was secretary of the association for a number of years. Mr. Richardson is one of the publishers of the Danville News and is one of the brightest young newspaper men in the entire State.

The business sessions of the association are over, but many of the editors will remain here until Saturday.

The meeting has been by far the most profitable the association has held in years, and too much praise cannot be given the retiring president, Louis Landrum, who made all the arrangements, and was ably assisted by Messrs. Harry McCarty, Clarence E. Woods, Lew Brown and Vernon Richardson.

ABOUT FIFTY DEATHS.

Rigid Quarantine Maintained
Throughout The City Of
New Orleans.

New Orleans, July 28.—Since July 13 about two hundred cases of yellow fever have appeared in New Orleans. Such success has attended the efforts of the health authorities in their battle with the disease, however, that while the situation is still serious, they believe they will be able to stamp out what might have proved a virulent epidemic of the plague, and prove that its propagation is due to a mosquito the extermination of which means the cessation of new cases. The work of screening receptacles of water is being prosecuted vigorously, and at the same time the city is being given a thorough cleaning. A rigid quarantine is maintained in the regions most likely to be infected.

The new cases have been 14 and the deaths 6 within the last 24 hours.

BALL GAME.

Married Men May Get Up a
Game Soon.

There is talk of making up a team of married men to play a game of base ball against another picked nine a little later on when the weather gets cooler. The proceeds of the game will go towards furnishing the Y. M. C. A. building, and no doubt our people would generously turn out to witness the game. There are several married men in the city who can put up a good game, and, with a little practice would make it interesting for their opponents.

NEW DEPOT.

The Louisville & Nashville Railroad Company has decided to rebuild the passenger depot on the plans of the old structure. Work has already been commenced on the building and it is said that it will be ready for use the first of November. Meanwhile a temporary depot is being used.

A MIDNIGHT BRAWL ON NORTH MAIN

A Drunken Negro Woman
Named Carrie Pendleton
On the War Path.

TWO ARRESTS MADE.

A "Peg-Leg" Gets a Move
On Himself For His
Life.

Thursday night, about midnight, some of the neighbors on North Main were disturbed by the noise of some negroes who live in the unsightly cabin next to the bridge. It seems that a young negro woman by the name of Carrie May Pendleton had imbibed too much booze and made up her mind that a young negro named Doc Pryor needed a little more carving to make him do her bidding, notwithstanding the fact that he lost half of one of his legs not long ago by falling under a car.

From the evidence given before Judge Knight, Carrie was earnest in her desire to carve up her young "friend," and made several attempts to use a knife on him, punctuating her repeated efforts with terrible oaths. The man managed to get out of the way of each knife thrust, but between the oaths of the woman and the cries of the man enough noise was produced to attract the attention of a passing carriage driver, who reported the disturbance to the police and carried a couple of officers to the scene of action. The two belligerents were arrested and presented for trial yesterday morning. Judge Knight, after hearing the evidence, imposed a fine of \$25 and costs on the woman and \$5 and costs on the man. Both of them having empty pockets they were taken to the work house to work out their fines. The police say the woman is a regular virago when she is drunk and spends more time in prison than out of it.

A FIRE.

Hose Carriage Horses Fur-
nish Trouble and Fun.

A fire alarm was turned in yesterday morning from West Second street. The department answered promptly but the single horse hose carriage had to be used as the horses for the large carriage "got on a lack" and ran out of the building without being attached to the hose carriage. After they had run out of the building they "tore it out" down the street and caused a good deal of trouble to their driver and fun for the crowd before they were captured and taken back to their quarters. In about ten minutes after the blowing of the wildcat whistle they were making their way out to the burning building on West Second street drawing the hose carriage.

When the department got to the home of Henry Redd it did good service. The fire originated in the Kitchen, which was entirely consumed, but the remainder of the two-story building was saved, though the roof was burning when the department arrived. The loss was about \$100, on which we learn there was no insurance.

HIS MISFORTUNE.

Crop of Wheat Totally De-
stroyed by Fire.

Marion Layne, who resides between that city and Fairview, lost his entire crop of wheat by fire Wednesday afternoon, says the Pembroke Journal. The wheat was in stacks and a thresher had been set by the side of it for the purpose of threshing it. The stacks were ignited by sparks from the engine. The crop was a small one.

MRS. OLDHAM PASSES AWAY.

Wife of Dr. J. E. Oldham
Dies After Long Suf-
fering.

BURIAL IN HOPEWELL.

With Patience and Hope She
Awaited the Summons
of Her Lord.

Mrs. Lula E. Oldham, wife of Dr. James E. Oldham, died at her home on South Clay street, Wednesday afternoon at 6 o'clock, of lung trouble.

Mrs. Oldham had been an invalid for ten months. When taken with the dread disease her decline was rapid and it was soon evident that she could not recover. Last spring she was taken to Franklin, Tenn., in the hope that a change of climate might be beneficial, but such was not the case. Later she came back home and had been quietly awaiting the summons of the grim reaper. Her death had been expected at any time for ten days.

Mrs. Oldham was a highly intelligent lady and a lovely Christian character. When quite young she professed religion and united with the Christian church. She was born in Lewis county, Missouri, in 1869, and on the 5th of March, 1891, was united in marriage to Dr. James E. Oldham. She leaves a young daughter, a loving husband, father and mother, two sisters and one brother. All live in Missouri except Mrs. Gregory, a sister, who has been in her home since her return from Franklin, giving her every attention that her critical condition demanded. Funeral services were conducted by her pastor, Rev. H. D. Smith, Thursday afternoon at 5 o'clock and her remains were interred in Hopewell Cemetery.

WILL YOU FORGET

The Biggest of All Events on
August 3?

Messrs. W. J. Hopson and T. J. Hammonds, the committee to make local arrangements for feeding the thousands that will be in Gracey on Thursday, August 3d, have been meeting with great encouragement from the farmers, and need only a day or two to have everything in readiness for the biggest of all events in this section. Be sure and make your arrangements for being away from home on that day, and go and take your family and see that your neighbors go. It will be to your interest to do so. Everybody invited.

KNIGHTS OF PYTHIAS ARE HUSTLING.

Grand Lodge Meets in Hop-
kinsville Last Week
in October.

COMMITTEE APPOINTED.

Evergreen Lodge Will Have
Everything In Apple
Pie Order.

Extensive preparations are being made by Evergreen Lodge No. 33, Knights of Pythias, preparatory to the forthcoming meeting of the Grand Lodge of Kentucky, which meets in this city the last week in October, for a session of three days.

It has been about twenty years since the Grand Lodge met in Hopkinsville, and the local order has changed considerably, but many of the old members are still loyal and enthusiastic. The present membership of the order is probably the largest of any secret society in the city and is constantly increasing at every meeting. Thursday night there was one applicant for the first, seven for the second and three for the third degrees, and the largest crowd that has been present for a long time was on hand.

Five representatives to the Grand Lodge were elected at Thursday night's meeting. They were Past Chancellors Jovett Henry, Lucian H. Davis, Green H. Champlin, Fred C. Callard and Geo. E. Randle.

A committee to make preparations for the meeting of the Grand Lodge has been appointed. The following members compose this committee: L. H. Davis, G. H. Champlin, Geo. E. Randle, F. C. Callard, W. D. Ennis, A. M. Coleman and Ellis Roper. Mr. Geo. E. Randle was appointed chairman of the committee.

This committee has made arrangements with the directors of the Tabernacle for the use of that building for the meeting of the Grand Lodge. It is expected that there will be between four and five hundred visiting Knights present and there will be many distinguished citizens among them. Chancellor Commander Ellis Roper, assisted by the committee, will make every preparation necessary, that the most beneficial and enjoyable meeting ever held by the Grand Lodge of Kentucky may be held in Hopkinsville in October.

Mrs. A. P. Dobson and Miss Annie Babold, of Bowling Green, are guests of Mrs. L. A. Johnson.
